

Vogue Rugs International is pleased to offer our Special Delivery promotion.

For the months of September, October, November and December, we will offer free delivery on any additional items you wish to purchase.

You will only be charged for the largest item selected and all additional goods will be delivered free of charge.

In the case of delivery to areas that normally incur a delivery surcharge, ie the Scottish Highlands, the additional charge will be levied on only the first item.

There is no limit on the number of items that may be included but goods must be despatched to the same address to qualify.

This offer can be used in addition to our monthly special promotions and vouchers offering a 10% discount in our press advertisements.
